

proposed to be called next winter. There will also be created a vacancy in the position of Deputy City Sergeant for South Richmond.

Richard E. Byrd, of Winchester, who is named as United States District Attorney for the Western District of Virginia, is one of the best known men in public life in Virginia, and his appointment has been without opposition. Mr. Byrd was for three sessions Speaker of the House of Delegates, and did not offer for re-election to the House from the Frederick County district last year. While Speaker of the House he was patron of some of the most constructive pieces of legislation of that period. Mr. Byrd has law offices in Winchester and Richmond, and has been connected with a number of important legal cases. He has usually been allied with the organization or "machine" wing of the party. He was a classmate of President Wilson at the University of Virginia, and fought hard for his nomination both at the Norfolk State Convention and at the Baltimore Convention. Mr. Byrd was formerly Commonwealth's attorney for Frederick County. He was a member of the State Tax Commission and one of the prime movers in the movement for organization of the burden of taxation in Virginia, and has been several times mentioned as a possible candidate for Governor in 1917. He is a brother-in-law of Congressman Swanson.

South Richmond Man Wins.
John G. Saunders, of South Richmond, the new United States marshal for the Eastern District of Virginia, is at present deputy city sergeant in attendance on Hustings Court, Part II. He was formerly City Sergeant of the city of Manchester, and was continued in office under the terms of the annexation agreement.
R. C. L. Moore, of Stafford County, named as collector of internal revenue for the Eastern District of Virginia, has been a member of the state Senate for the past four years. The Thirtieth Senatorial District is composed of Spotsylvania, Stafford, Louisa and the city of Fredericksburg.
John M. Hart, of Henrico, named as collector for the Western District of Virginia, has been eight years in the state Senate. He was highly indorsed for the position by Congressman Carter, and it has been understood that his nomination was opposed by Senator Swanson. The Senatorial District is composed of Henrico and Montgomery Counties, and the cities of Henrico and Bedford.
Norman R. Hamilton, of Norfolk, named as collector of customs of Norfolk, has been for years a member of the staff of the Norfolk Leader-Dispatch, and is said to have had strong endorsements for the position.

Hall Takes Oath of Office.
Washington, March 21.—H. C. Hall, of Virginia, took the oath of office today as a member of the Interstate Commerce Commission, and entered on his duties. Mr. Hall was moved to the office of the Interstate Commerce Commission, Charles A. Prouty, appointed director of the work of physical valuation of railroads.

Longworth Is Candidate.
Special to The Times-Dispatch.—Mr. Charles Longworth, former Congressman from the First Ohio District, and son-in-law of former President Roosevelt, in a formal statement today announced his candidacy for nomination to the Republican ticket for Congressman from this district.

The Law of Health
When you lack vigor and activity of body and mind, try to discover the cause. When the secreting organs are not kept in a healthy condition the whole system is not up to its normal standard. The constructive assimilation of food is impeded, the blood is not renewed, and hence there comes weakness and a want of nervous and muscular power. Duffy's Pure Malt Wheat is a tonic for the system, tones up the heart, gives power to the brain, strength and elasticity to the muscles, and richness to the blood through its action on the secretory glands of the stomach, insuring perfect digestion and enables you to get from the food you eat all the nourishment it contains. It is invaluable for overworked men, delicate women, and sickly children. It strengthens and sustains the system, a promoter of health and longevity, makes the old feel young, and keeps the young strong and vigorous. It is a wonderful remedy in the prevention and relief of nervousness, typhoid, malaria, all stomach troubles, diseases of the throat and lungs, and is recognized as a medicine by all the schools. Thousands of letters have been received from men and women in all walks of life, extolling the virtues of Duffy's Pure Malt Wheat as the world's greatest medicine. Don't hesitate, but go to your druggist, grocer or dealer and buy a bottle today.—Advertisement.
